

# Technology is a Gift

(Welcome to the party!)

**Stop partying like it's 1999.  
We may not have flying  
cars, but there is a lot  
out there that we can use.**

**Share your discoveries with others.  
Don't be discouraged if they're  
not as thrilled about it  
as you are, though.**

Substitution

Augmentation

Modification

Redefinition

**Surprise yourself.**

Technology Month - October 2014  
Trinity High School

To: You

From: Kevin

**The gifts are here,  
whether you asked for  
them or not. You might as  
well open them and see  
if you like anything.**
